Objectives	To enable and encourage learners to remain in school and to achieve tertiary education. To enable students to access university and to benefit fully from the experience so that they achieve their academic goals and also to become self-confident adults and leaders in their own communities..
Work area	Western Cape, Overberg (Bereaville, Genadendal, Greyton, Voorstekraal (Western Cape)
Target group + ages	High School learners and University students aged 14 to 25
Activities	Provide bursaries to high school learners, from financially disadvantaged families, who have achieved an academic average of above 60%. Provide educational outings to broaden learners worldview and to experience the diversity of occupations. Provide guidance and mentoring as well as top-up funding to university students to enable them to benefit fully from the experience and to achieve their goals.
Expenditure latest audited financial year	Financial year: March to Febr.. 2016-2017 Total expenditure in Rand: 160,000-200,000 (€ 11.000 - € 14.000)
Strengths	Highly motivated team of professional volunteers manage the project. We only have banking, website and auditing expenses equals less than 3% of income thus 97% is available to achieve our goals. 84% of our university students remain at university to achieve their degrees which is well above the national average.
Greatest needs + costs	Fund raising to collect more than R250,000 / year to save for an increased number of students achieving university entrance the following year. Website and social media expertise. Attending courses or even short training sessions costs R2000 plus.
