Objectives of your project	<ul style="list-style-type: none"> • Advocate policies and practices that create improved conditions for young children. • Assist policy makers in the search for effective and affordable ways of offering early childhood development services. • Promote effective, affordable and replicable models for early childhood development. • Support and strengthen organisations and communities which offer early childhood development services. • Build partnerships with organisations implementing early childhood development programmes. • Create awareness about early childhood development by developing and disseminating resources, information and materials to the field. • Assist communities to establish early childhood development centres and programmes. • Provide training opportunities for early childhood development workers.
Work area	All of South Africa
Target group + ages	Early Childhood Development teachers. Governing body members. The children in early childhood centres. Government policy makers.
Activities	We work with: <ul style="list-style-type: none"> • Communities, providing technical assistance to early childhood development projects. • Organisations, enhancing organisational efficiency and effectiveness. • Individuals, developing skills and increasing their capacity. • Parents, providing information on the development of children.
Expenditure latest audited financial year	Financial year 2014/2015 Total expenditure in Rand: R 11,044,259.
Strengths	<ul style="list-style-type: none"> • We have the capacity to implement our programmes across South Africa.. • We have a strong and positive relationship in the communities we work with. • All of our members of staff are committed and passionate about developing the ECD sector of South Africa.
Greatest needs (max. 3) + cost	<ul style="list-style-type: none"> • A programme manager to manage a large scale ECD communication programme advocating on behalf of young children (cost R 240,000). • Support in marketing and branding (at no cost as we would seek a volunteer). • Upgrading of our server as it is now 10 years old (R 100,000).
Added value SPZA for your organisation	Donor, sharing network and information, coaching and capacity building.
