Objectives of your project	<b>Mission:</b> Committed to changing and shaping young people's lives, and giving them an opportunity to embark on a journey of art. By providing intensive training, support and mentorship that will enable them to pursue careers in any art form at an art institution of their choice. To add value and uplift the areas in which we serve, and to nurture and improve the quality of life of children and youth from impoverished areas through the medium of creative dance and music. Also to take the KCBO model (own model) and implement it in areas that are riddled with poverty and crime. <b>Vision:</b> We aim to develop, train and nurture young people from all walks of life, through the discipline of performing arts: drama (theatre), dance, music, and visual art and life skills programs. To instill a mindset of hard work and success amongst the youth of the different communities that we come into contact with. To motivate the importance of attaining a good level of education and to follow through with tertiary programmes to enable all to become economically sustainable.
