Objectives	<p>By raising awareness and increasing practical skills that are necessary in school, we believe that we can keep children from dropping out. We aim to make their learning experience fun and memorable.</p> <p>Township Roots (TR) works with both ownship primary and high school learners. We run educational and physical initiatives for students in at-risk communities. Our goal is to promote safe, free, fun and memorable academic performance within schools, and to encourage the culture of excellence that we hope for in our young leaders.</p>
